The Manager,
The Junior Chamber of Commerce,
Memphis, Tenn.

Dear Sir:

I was told today that you had a very interesting display of letters and checks of Mrs. Franklin D. Roosevelt's Communistic activities during the recent campaign and wonder if you would be good enough to send me copies of these documents.

As you may know I am deeply opposed the the Communist movement and I have interested a U.S. Senator in these papers from Mrs. Roosevelt, several of which I have copies of myself. If we could get all of them together on the Senator desk I think that he would take them on the floor of the Senate.

Hoping to hear from you soon beacuse I think that this is important in our national defense program.

Very truly yours,

CHAPTER NINE

RESPECTABILITY AND SUCCESS

THREE events, one in the U.S. political field, the other in the economic field and the third in the international field of diplomacy, established the American communist movement as a factor in the political, social and economic affairs of the country.

American communism owes its rise to prominence to the election of Roosevelt as President in 1932, to the organization of the Committee on Industrial Organization in 1935, to the recognition of the Soviet Union by the United States in 1933.

Though Roosevelt's New Deal program and organization ranks first in immediate importance to the growth of communism in the United States, the organization of the C.I.O. from the communist standpoint is much more basic and of lasting importance to the movement, even though the organization of the C.I.O. without Roosevelt's blessing and endorsement would never have taken place. The recognition of the Soviet Union facilitated Soviet and Comintern penetration of the United States and opened wide the doors for the infiltration of the government by communists and their satellites drawn from a growing army of fellow travelers.

Communist endorsement of the Roosevelt administration and the New Deal did not come suddenly. When Roosevelt was Governor of New York State, the communists kept up an incessant barrage against Roosevelt as a reactionary tool of Wall Street. In 1932 the communists nominated Browder for president to run against Roosevelt. Browder charged, in his campaign speeches, that Roosevelt's election would mean a continuation of Hoover's reactionary hunger policies. The communists branded the first Roosevelt Cabinet as "the new Wall Street hunger and war cabinet." Of Henry Wallace, who was appointed Secretary of Agriculture, whose pro-Soviet line today receives the most active support of the communists and the endorsement of Soviet Russia, they had this to say: "This Wallace is an alleged friend of the farmer. He hails from Des Moines, Iowa, and

inherited the publishing racket of his father, Henry C. Wallace, who was Secretary of Agriculture under Coolidge. When old man Wallace got the Republican job from Coolidge, he resigned as editor of *Wallace's Farmer* in favor of his son who now takes the old man's job in the Roosevelt cabinet. This Wallace family is connected with bankers and grain speculators in the Middle West and the publication, *Wallace's Farmer*, shared in millions gypped from the farmers by the Harvester trust."

"Wallace," declared the communists, "wants to make Roosevelt a dictator to boost prices for the benefit of the trusts, thus hitting the poor farmers on the land and the workers in the city."

Roosevelt and the New Deal were characterized as follows: "Yes, the 'New Deal' may prove to be fascism. This smiling India rubber liberal in the White House is destined to destroy all remaining American liberals."

Earl Browder, General Secretary of the Communist party, on July 8, 1933, delivered this blast: "For the working class the Industrial Recovery Act is truly an Industrial Slavery Act. It is one of the steps towards the militarization of labor. It is a forerunner of American fascism."

The communists, in 1934, branded the Wagner Bill as "Roosevelt's company-union club against the workers."

Browder, at a press conference during the Eighth National Convention of the Communist party, characterized Roosevelt as follows: "Roosevelt is the most effective agent Wall Street has had in several years." When a reporter asked him, "Is there no difference between Roosevelt and Hoover?" He answered: "Yes, there is a difference. The masses feel it in their stomachs. The masses have less food, less clothing, more inadequate shelter now than they had under Hoover."

The communist May Day Manifesto screamed: "Against the New Deal Fascism and War."

Of Mrs. Eleanor Roosevelt the communists had this to say: "The only girls Mrs. Roosevelt really knows, are those in her own set; the millionaire families with their parasitic debutante daughters, who participate in orgies that not even Hollywood could duplicate." Nevertheless, when the Party line changed and the communists wedded the New Deal, they did not hesitate in enlisting the services of Eleanor Roosevelt in many of their outstanding united front causes.

What took place to change the line of the communists towards the New Deal? The answer is not to be found in the United States.

went back to their individual cells and set up shop to do business precisely as before. In the name of post-Pearl Harbor "patriotism" they added to the worries of a nation mobilizing for war.

Mrs. Agnes Waters, a professional mother from Washington, branded sugar-rationing as a Jewish plot to "Communize America." Warming up to her subject, she screeched: "There are 200,000 Communist Jews at the Mexican border waiting to get into this country. If they are admitted they will rape every woman and child that is left unprotected."

Mrs. Mary Tappendorf of the ultra-patriotic Chicago Mothers became greatly excited over the plan to raise a women's army auxiliary for war duty. "What do they want to do with girls in the front lines?" she demanded. "I'll tell you—it's SEX—and that's Mrs. Eleanor's idea, too. They teach it to the boys in the army. They tell them they'll go insane without it. The Administration has sold out the flower of our womanhood. . . ."

In Chicago, the Citizens Keep America Out of War Committee which under William J. Grace had sponsored Lindbergh, shortened its name to Citizens Committee and continued its routine of agitation against the war effort.

I went to see Horace Haase and found him busily at work on the next issue of his organ *Americans for Peace*. With his New York unit already functioning, Haase was contacting former American First-ers in cities throughout the country for the formation of secret cells, and had sent two urgent letters to Lindbergh who on December 19 had already addressed a gathering of former America First Committee officials at the swank New York home of Edwin S. Webster.

"We can't win this war," Haase kept telling me over and over. "What is the use of trying? Japan could capture Hawaii if she wanted to. I hope none of our boys get killed, but at the same time I hope we lose every ship in the Pacific."

Haase set me to work filing name cards of those to whom he had already written. I filed about a hundred and was not surprised to see a large listing of America First-ers, including the name of the notorious Boris Brasol. Haase told me he had visited Joseph P. Kamp, and had also been received by America's leading intellectual fascist, Lawrence Dennis.

"How did you get to see him?" I asked.

"I just called him up, told him come right over."

"Were you with him very long?"
"More than two hours."

Haase asked me for the price of *Americans for Peace*. Curtis and I told him all I knew about the experience in Washington.

Shortly after my visit Haase sent funds to print, instead of money, *Americans for Peace* and sent it in key cities. While not yet a symbol of defeatism, Haase was him as a symbol of a resurgent nationalist-fascist movement. Such a disruptive and revolutionary

"I do the wrong, and first begin to brawl.
The secret mischiefs that I set abroad
I lay unto the grievous charge of others,
But then I sigh, and with a piece of Scripture
Tell them, - that God bids us do good for evil;
And thus I clothe my naked villainy
With old odd ends, stolen forth from holy writ;
And seem a saint, when most I play the devil".

Dear Friends:

Truman and his backers did not write the above lines. Shakespeare did it for them in his Richard III. The "fighting" of Communism while financing it all over the world; this new corny hypocritical demand for "civil rights" for all (Jews) while still attempting to continue the six-year persecution of the poor little 30 guinea pigs whose only crime was exercising the right of free speech to criticize some phase of the Roosevelt-Truman Jew Deal regime - this is typical.

A quiet gentleman from Arizona was waiting in the inside office to meet me for the first time the day I had a newspaper shoved under my nose, as I entered the outside office, headlined in red: "THROW OUT SEDITION TRIAL OF 30" and below that the sub-heading: "APPEALS COURT RULING FREES MRS. DILLING". I let out a piercing "whoop-ee-ee!" Then a succession of "whoopees". As I entered the inner office doing a highland fling with whoopee accompaniment, I noted the puzzled and speculative eye of the strange gentleman. His gaze seemed to say, "Well, I have heard queer things about Mrs. Dilling. So this is how she acts?" I explained saying, "If you had been dragged before grand juries, indicted, finger printed, smeared as an enemy of our country, had to raise bond fees (\$1,100), attorney's fees, sat in court for eight months listening to non-existent "evidence", made some 18 trips to Washington, as I have maybe you would whoopee too to read that that mess has ended."

A few of us went out and celebrated on ice cream, gooey cake and two brimming cups of coffee. I had warned my friends that if the thing ever came to an end and they heard of the arrest of a woman throwing confetti down State Street, it would be I, but not to think too harshly of me. However, having no ease, but determined to intimidate and persecute as long as possible to save face and bully those who might feel they too had some civil rights, Truman's Jew Deal has obtained a stay of mandate for 30 days in which to perfect an appeal to the Supreme Court. In other words the final dismissal of this second court is held up pending appeal.

Whether the Supreme Court will give them a writ of certiorari and set a time for hearing in the Fall, or will turn down the appeal now or in the Fall, I do not know. The screamers for "civil rights" at least are making every delay.

...the National Association for the Advancement of Colored People, better termed the Jewish Red Association for the Advancement of Colored People. Long financed by the Garland Fund*, a fund set up by Garland who served a term for running a free love farm and gave his fortune for the advancement of the Red revolutionary movement, it has always been by Jews active in the Red movement.

Why Does Jewry Run the N.A.A.C.P.?
Since 1918, according to Who's Who in American Jewry, 1939, Joel Elias Goldstein, Chairman of the board of directors, then treasurer, then president until his death and since then his brother Arthur S. Springarn has been running the N.A.A.C.P. For years the Red Rasputin, Felix Frankfurter* served on the national legal committee of the N.A.A.C.P. Other Jewish Reds like Morris Ernst, likewise active, is one of the two national counsels of the Communist-aiding American Civil Liberties Union* which was served with huge slices of dough from the Garland Fund which fed the N.A.A.C.P., until it was spent. (\$31,552 in 1925-8, \$5,000 in 1929-30, etc.)

James Marshall, son of Louis Marshall of the New York Kehilla executive committee (Jewish Community inner government), along with the Red Jews Morris Ernst, mentioned above, and Arthur Garfield Hays, co-counsel of the Red-aiding American Civil Liberties Union*, has been a member of the National Legal Committee of the N.A.A.C.P.

The Marshall Family

Marshall is the brother of Robert Marshall, who left a huge fund to be spent to forward Jewish collectivism or Marxism. It is run by his brother George. To quote the Dies Committee report: "For some years there was an element of mystery in the ability of the Communist Party to finance its extensive network of front organizations. To a large extent, the Special Committee on Un-American Activities has revealed that mystery. The principal source of the funds by which these Communist front organizations are able to operate today is a network of foundations which have been established primarily by rich radicals. Among these foundations, first place belongs to that which was set up by the will of the late Robert Marshall who, at his death a few years ago was a high Federal Government official employed in the Department of the Interior... The principal figure in the administration of the large sum of money which is at the disposal of the Robert Marshall Foundation is George Marshall, brother of the deceased Robert Marshall. George Marshall's Communist record is so clear and so voluminous that it leaves no doubt about his ideological devotion to the Soviet Union and the revolution upon which that government is founded." (Vol. 17, p. 1550)

It supplies the leading Communist fronts with money and I published reproductions of cheques proving this. The board of directors of the N.A.A.C.P. is a conglomeration of Marxists - Socialists, and Communist fronters, Jews and Reds of all hues. The Jewish reds: Fiorello La Guardia (100% Jewish) and Herbert H. Lehman (a fellow executive committeeman with the late Louis Marshall of the New York Kehilla) join with Lewis S. Gannett, former director of the communist Garland Fund*, Socialist Alfred Baker Lewis and Eleanor Roosevelt in acting as directors of the N.A.A.C.P.

Truman's Civil Rights

Even as Truman's Department of Justice was filing a petition for a stay of execution in order to go on trying to crush all civil rights in America by convicting little opponents of the New Deal - first Truman was standing up before this Jewish-Bolshevik agitation organization saying, as I heard him say in the sound reel, that only the law entitled to a "fair trial on a fair court."

It is known that President Roosevelt personally ordered Bidle to crush the small opponents of his regime. We had the admission of the Department of Justice, as Assistant Prosecutor Burns, when we had Drew Pearson on the witness stand in Washington in 1944, that Pearson had "good authority" for his column talking how FDR called in Bidle and showed him a collection of anti-New Deal literature and ordered him to "crush down hard on these people and that when Bidle said he could not get a

Victor EDB told Bi — not the judge but an

on good authority.

Anti-Christian pro-Communist Jewish B'nai B'rith not only instigated this prosecution, with its three indictments and farcical trial of eight months. Its representative in the Department of Justice, a German Jew, Oberwinder, alias "John Metcalf", ran the show from the inside and wired Monsky, international head of this C.O.D. conspiratorial organization, when and whom would be next indicted. These wires were subpoenaed by the Dies Committee but Jewish pressure forced their return to the Union, but not until their contents had been noted. B'nai B'rith's Anti-Defamation Bulletin for June 1947 quotes B'nai B'rith's Anti-Defamation League report for 1946 which includes this:

B'nai B'rith Gloats

"Encouraging signs were the cancellation of Upton Close's radio time, Indiana's law making race hatred illegal (Notes not Talmudic teachings of such hatred for non-Jews that rape, theft, murder of Gentiles is condoned, E.D.)" and appointment of a Commission on Civil Rights by President Truman."

In truth Truman's "Civil Rights Commission" and propaganda are a triumph to B'nai B'rith which specializes in conspiring to deprive every Gentile American of his right of free speech, freedom of worship and free press. No one unfamiliar with the truth, thru personal experience, could believe the immediate speed with which the B'nai B'rith bloodhounds swoop down upon a printer who dares put out something unfavorable about Jewry; how their representatives visit ministers who dare preach the Gospel, even read the Scriptures which criticize Jewry, and order them to cease doing this. The minister who was ordered to substitute the word "people" for the word Jew in New Testament readings is an illustration.

They gloat over opposing Passion Plays, singing of Christmas carols in schools, order text books deleted, have the Merchant of Venice banned from public schools, and are having laws passed all over the United States making any unfavorable reference to Jewry punishable as a crime. Under the law passed in Miami recently, a friend writes: "Things are rather quiet down here altho several people at Miami Beach were arrested for using 'restricted' in their 'for rent' ads. Nice going!"

Student Seized

The June 1947 Anti-Defamation League (of B'nai B'rith) Bulletin also gloats over the seizure of a young University of Minnesota student, one Maynard Nelsen being "arrested and placed under \$1,000 bond on a breach of the peace charge for having copies of anti-Semitic literature which indicated Nelsen's addiction to a Nazi-like philosophy... His arrest came about principally through a tip from Samuel L. Scheiner, director of the Minnesota Jewish Council who stated:

"Our investigation indicated that Nelsen's veering toward fascism developed when he failed to receive a commission while serving in the army. Believing that "Jewish officers" had acted against him, his frustration led him to swallow the writings of Mrs. Elizabeth Dilling and Eugene Flitcraft, publisher of the "Gentile News". He has told his attorney that he is convinced... that Russia is completely dominated by Jews. When asked to name one Jew prominent in the Soviet Government, Nelsen was unable to do so."

Too bad this boy lacked knowledge of the Jewish sources bragging about Jewish power over Russia that I have. Too bad that he lacked the information on this subject with which my son drowned the Character and Fitness Committee which grilled him for two hours on his attitude toward the Jews and had such data poured upon them that the non-Jewish members who had been primed with B'nai B'rith catch questions got the education of their lives in the answers they heard — and voted to let him practice law in Illinois after Jewry had held his certificate up causing him to miss the Springfield exercises and banquet his class mates enjoyed.

Jewish students had been studying all during the past year. He wants to see him in the character and fit. Committee. This committee is appointed by the Illinois Supreme Court, to pass on the fitness of persons who have passed the bar examinations to practice law, the majority being Gentiles.

Hotels Throttled

To again quote from the gloating of the June ADL Bulletin: "Striking a blow at social discrimination, the Board of Directors of the Illinois Hotel Association, representing approximately 300 hotels and resorts in this state, has unanimously approved a resolution which hits at prejudice. The resolution, announced by J. A. Welch, a member of the Association and vice-president of the Hotel Sherman, reads as follows:

"It is resolved that the Board of Directors of the Illinois Hotel Association strongly recommend to the membership of this Association that they do not discriminate because of religion or creed in performing their services to the American public. The resolution was termed a 'step in the right direction' by Harold Lachman, Chairman of the Chicago Board of the Anti-Defamation League, who commented:

"Actions such as these may hasten the day when such signs as 'restricted' and 'Gentile only', and other evidences of discrimination against minority races and faiths, will disappear or become rare in the American scene." "ADL speaks the message of Israel", states the same Bulletin.

If hotels cannot choose their own clientele; if Gentiles cannot have a place of refuge among people of their own choosing - why should Jews bar Gentiles from their clubs and societies and from the Jewish War Veterans who ousted a Gentile who joined, recently, on the ground that he was not Jewish, while they insist on joining all Gentile clubs and Veterans' organizations?

The June ADL Bulletin report quoted above ends with this: "It is understood that the American Hotel Association is considering a similar stand concerning discrimination against members of minority groups". Meaning just Jews; the Negroes are only thrown into the picture as buffers.

And - More "Civil Rights"

Quoting the same Anti-Defamation League Bulletin: "The ADL in representations to Secretary of State Marshall, has urged the U.S. bar Norman Jaques, Canadian Parliament member, from further entry to this country as a threat to our domestic peace... Not a citizen of our country, Mr. Jaques has abused the privilege of entry into the United States by stirring up misunderstanding and tensions among racial and religious groups in various parts of the country."

Because Mr. Jaques is in favor of Christianity and does not bow down to Jewry ruling the whole world and the thoughts of everyone in it, he is to be barred entry while hundreds of thousands of Red Jews who hate Christianity are admitted to our (?) or Jewry's (?) country to further squeeze Gentile rights to the wall.

Stratton Bows

Cong. at-large William C. Stratton, who was fought in the last election by Jewry with the most vicious weapons, has introduced a bill praised by Jewry to admit 400,000 refugees to the U.S. During the last election the radical Jewish-dominated Independent Voters of Illinois, for example, represented Stratton as carrying the Nazi flag in his hand. Now he is their fair haired boy!

Judaistic Propaganda

The same ADL Bulletin quoted above goes on to report its colossal activities to control the Gentile mind. For example; "CAMPERs: This summer, fifty rabbis provided by the ADL Speakers Bureau will each spend one week at various Protestant youth camps in 17 states. This project conducted jointly with the National Conference of Christians and Jews, has the unique value of permitting the Jewish representatives to discuss intergroup problems with hundreds of youth leaders of many denominations who attend these encampments." Note: The National Conference of Christians and Jews is a B'nai B'rith project aided by the Judaized Federal Council of Churches. Their reports include a radio given at Ohio State University for a transcribed radio

series "LEST WE FORGET" - LEST GREAT AMERICANS sponsored
eratic Education" (B'nai B'rith set up). The award was made for "stimulating
atizations of the lives of great Americans and how they have contributed to our
of life with a conscious absence of chauvinism." (Exaggerated patriotic poster)

"A questionnaire distributed to 3000 University of Denver students," by the
ADL is reported. Also: "The Denver ADL office in cooperation with other
agencies has established an educational film library to stock and distribute
films, strips, and slides dealing with inter-group living. In Chicago the ADL
Haskell Lazere cooperated with the Chicago Film Council June 2-7 in presenting
series of motion picture shorts on the theme 'Democracy in One World'. Films

Christian Dupes

"The first Jew to achieve such recognition, George J. Harrison, associate director
of the Southeastern Regional ADL office, has been named a member of the Fellowship
of Southern Churchmen. Virtually all members are active clergymen. The honor came
to Mr. Harrison for the role he has played in combatting bigotry on all fronts as a
member of the ADL staff." (Devoted to crushing Christianity!)

Headed "SOUTHERN TESTIMONY", is this report in the same: "The press and the churches
are leading the way to better racial and religious relations in the southern states,
declared Alexander F. Miller, director of the ADL's Atlanta office, to President
Truman's committee on civil rights at a recent session in Washington."

THERE YOU HAVE IT! B'nai B'rith, crusher of all Gentile and Christian rights tells
the "civil rights" committee what to do.

The American Jewish Year Book for 1945-6, put out by the American Jewish Committee
which jointly with B'nai B'rith is collecting \$6,000,000 this year for sniping
OGPU bullying work on critics of Jewry, gives a significant report on the work of
B'nai B'rith's Hillel Foundation. This outfit spends millions of dollars, according
to the report on 120 college campuses on Judaistic propaganda. I found the Hillel
Foundation at the University of Michigan, for example, the center of Red propaganda
speakers drawing Gentile students. To quote the American Jewish Year Book (p.151):

"Meantime, there has been an interesting and significant effect of the program upon
non-Jewish students. Several hundred Christians are registered each year in the
courses which are offered by Hillel Foundations. As these young people go back to
their communities after having been under the influence of a Hillel director, they
are really ambassadors of good will and understanding. Many of them invariably join
the faculty of the Christian Sunday Schools in their home community. There need be
little concern as to how they will present to their young charges the story of the
Crucifixion, or the appraisal of the Pharisees or any point of view about Jews and
Judaism. In 1942, the National Hillel Director was awarded an honorary degree by
the Illinois Wesleyan University, a Methodist institution, because of his impact
upon the religious life of generations of Christian college students."

"Impact" on Christians

Among other Jewish projects covered by the American Jewish Year Book 1945-6 is the
"sedition trial", Mrs. Elisabeth Dilling's activities being deplored, work inside
all Christian denominations, B'nai B'rith's National Conference of Christians and
Jews having "300 Round Tables" or branches "which function all the year round, and
local committees in about 3,000 communities, which function during Brotherhood Week,
Religious Book Week, and on other occasions. In his seventeenth annual report, Dr.
Everett Clinchy, president, declared that twenty Protestant denominations, numerous
Roman Catholic bishops, the Federal Council of Churches, the Synagogue Council of
America, and the Catholic Commission on Citizenship had cooperated in the programs
during the year." (Note: the Catholic Commission on Citizenship is covered in my
pamphlet "CHRISTIANS AWAKEN". Sidney Hillman, Red Russian Jew, Henry Monks, inter-
national head of anti-Christian pro-Jew B'nai B'rith and Roger Straus, co-chairman
of B'nai B'rith's National Conference of Christians and Jews and an aid to Reds,

10 (1) Commission on Citizens' Education... Four and one half millions pieces of literature were distributed to men and women in the services and 2,700,000 to the general public.

...American Jewish Year Book continues its report on the Jewish prepared "Faith and Freedom Readers" on page 290: "The fifth annual report of the Commission on American Jewishness of the Catholic University of America said that Faith and Freedom Readers designed to promote intergroup good-will were being used in nearly 6,000 of the... 113, described by the Communist magazine as "A biased Southern... set up 'including seven representatives from each state... chairman.'" Graham was a sponsor, in fact vice-chairman, of the radical Pacific Council for Prevention of War in 1937 when that was the "line" and was a member as member of the William Allen White Committee to Defend America against the Allies (1940); has been national committeeman of Birthright's "League of Democracy for some years. This is the outfit which hired the little Derounian (alias Carleton) to keyhole and lie about decent Americans. A judgment against Derounian was recently awarded by a Utah Federal Court. Attorney Jeremiah Stokes. Civil Rights Graham is right in the middle of anything Red from Russian War Relief; American Committee for Protection of Foreign Born (smearing of native born Constitutional Americans like me); the Red-supported National Association for the Advancement of Colored People; the Jew-kissing Council Against Intolerance in America (no intolerance against Reds and Jews but smearing and intolerance and persecution of Christian Americans); Southern Tenant Farmers' Union (for agitation); B'nai B'rith's National Conference of Christians and Jews - right down the line. For years he has been on the national committee of the legal arm of the Red movement in the USA, the American Civil Liberties Union, of which he has been national vice-chairman since 1943. He is on the board of directors of the red internationalist Americans United for World Government and on the international board of Free World magazine, a publication put out by world red internationalists who calculate to take away American sovereignty and set up the world state long envisioned by followers of Karl Marx.

NOT ONE OF THE RED SCREAMERS FOR "CIVIL RIGHTS" HAS EVER MURMURED AGAINST THE PARCER SEDITION TRIAL which was solely a persecution against critics of the Jew Deal.

Channing Heggie Tobias

Another of the Civil Rightsers, Stalin model, chosen by our dear President, is that faithful wheel horse of the Soviet-kissing movement, Negro Channing Heggie Tobias. He has 29 Red front listings in the Dies 1944 report. He was a member of the executive board of the Communist Party's American League for Peace and Democracy which advocated sabotage, mutiny and insurrection in the armed forces for the setting up of a Soviet government in the USA. I attended one of their conventions at which Harry Ward, its national chairman, presided and read notes from members of the armed services handed up from the audience pledging aid to Red revolution in time of war. Earl Browder, national vice-chairman, was introduced as needing no introduction other than our "vice-chairman" and he was greeted by a standing ovation and the singing of the anti-religious International with clenched fists. Banners of various units of the Communist Party banked the stage.

Tobias is member of the Council on African Affairs headed by Communist Paul Robeson who educated his child in Soviet Russia. Tobias likes to sign appeals for American Soviet Friendship - that is friendship with the regime that allows just one "civil right", the right to worship Stalin or be bumped off without judge, jury or trial. The only time trials were thought necessary were for propaganda purposes. The little old Black Maria at 3 A.M. the firing squad and shovel are the routine.

Tobias was speaker at the Nation Associates rally to restore Red Spain (where churches can be torn to bits for diversion) 1/2/45; he has been on the board of that Jewish-Communist propaganda magazine which takes the name of Protestants without representing a single Protestant denomination - it has become even the voice for the Jews whose anti-Catholic work it was doing until it attracted too much notice. He is a director of the Communist-Carland-Fund-supported National Association for the Advancement of Colored People, addressed by our dear President on "Civil Rights" - "a fair trial in a fair court" for EVERYONE except the little and the victims of the mass "sedition trial" which Truman is having kept in secret. Appealing the dismisals of the indictments in two courts to the American people.

will be filled with... Being anti-Christian is evidently no handicap... an asset under our present regime. These sons of the Island, known as "civil rights" (for whom?) are Rabbi Daniel G. Gifford, Charles... of the I. W. O. B., and Morris L. Ernst.

Boris Shishkin

Boris Shishkin, who was born in Odessa, Russia, came to the USA in 1925... to naturalization in his sketch in Who's Who in America, but he has had several... jobs for four persons with the O.P.M., W.P.B., President's Committee on... Employment Practice, U.S. Housing, etc., etc. This Russian "patriot" was also... by our dear President to defend "Civil Rights" for someone. This Russian, who thinks too little of American citizenship to acquire it or if he did acquire it to mention it, was a member of the board of directors last year of the Socialist Party's League for Industrial Democracy. This outfit, founded on the Communist Manifesto of Karl Marx, Norman Thomas and Harold Jaski writing eulogistic introductions to its edition, has been rounding college campuses since 1905 preaching Marxism, holding student conferences on "Guiding the Revolution". It receives thousands of dollars of Red Garland Fund money, of course. Shishkin is a member of the radical Americans United For World Government, a rare combination of Jewish capitalists and proletarian Reds - as is the Marxist movement generally.

Shishkin was on the radio repeatedly fighting the Communist-opposed Taft-Hartley bill, telling Americans how and what to think. Meantime he is a lecturer at the Red Hand School, contributor to the Nation, advocate of revolutionary Socialism, and a Truman Civil Rights.

Franklin Delano Roosevelt, Jr., son of the hypocritical old buzzard who instigated the most flagrant violation of American civil rights, for Jewry, the so-called "sedition trial" and three indictments, has been running true to form in leading the very Left Wing American Veterans Committee whose program includes breaking off relations with the Comies' pet hate, Christian Franco, etc. There you have an ideal character to defend "Civil Rights" - punish a country like Spain for having a Christian instead of a Jewish-Communist government, meddle against self-determination of the Spanish people but never raising a peep against defrauding Americans of their right to call his old man a traitor to the Constitution he swore to uphold but in word and deed sneered at it as a relic of "horse and buggy days".

Another of our dear President's Civil Rightsers is Mrs. M. E. Tilly, member of the Executive committee of the Methodist Federation for Social Service which, as stated by the 1944 Dies Committee report "is not and never has been an agency of the Methodist Church... Inasmuch as Harry Ward has been the actual leader of the Methodist Federation for Social Service, this organization has never deviated in the slightest degree from the line of the Communist Party... Francis J. Mc Connell, president, has a list of affiliations with Communist-front organizations which is matched by few churchmen in the United States."

Remember the huge Communist massmeeting in New York in June 1938 presided over by Marshall at which \$20,000 was raised in nothing flat for the Red church-burners. As the Spanish Communist speakers ascended the rostrum the audience... then the clenched fist salute, ushers with red arm bands hold Communist... and various units of the Communist Party sent up their donations. Party... on the platform. After the Spanish speakers finished, an interpreter... I looked down on bald Mc Connell's head and wondered how the... could tolerate him as "Bishop". Relations, Woman's Society of Christian Service, South-eastern Jurisdiction, the Methodist Church, Atlanta, Georgia."

Another of dear Truman's Soviet-loving Civil Righters is Episcopal Bishop Henry R. Sherrill. COMBINING SOVIET-KISSING WITH CIVIL RIGHTS IS LIKE TRYING TO COMBINE OIL AND WATER. It is to laugh! Mocking around about "civil rights" while leading the regime that denies all civil rights is nauseous. It is like Truman's "fight" against Communism by continuing Lend-Lease aid to Soviet-dominated countries including Russia itself. Just re-read the poem at the beginning of this bulletin.

Sherrill is twice listed in the Dies Committee Report for his sponsorship of American Soviet Friendship rallies. He was an ardent warmonger as member of the William Allen White Committee and his Massachusetts Committee of 1000 called for a "peace founded on justice and maintained by the firm and concerted action of all peace-loving nations" with warnings against the parochial attitude of the nasty "isolationist groups which were so assertive prior to Pearl Harbor." (Boston Herald 12/26/43). Sherrill is listed among officers and directors of this last outfit.

Sherrill was a national sponsor of the Non-Sectarian Committee for German Refugee Children which proposed to bring in 20,000 German refugee children during 1939-40. Jews and radicals of all hues made up its personnel. He was a committeeman of the Boston branch of the American Committee for Christian German Refugees headed by the very Red Thomas Mann who was member of the world committee set up by Moscow, called the International Writers' Association in Defense of Culture (a la Moscow). See on page 60 of my book THE ROOSEVELT RED RECORD AND ITS BACKGROUND the reproduction of the Communists' Daily Worker account of this world organization for Red propaganda.

Sherrill was sponsor of the American Medical Bureau for Medical Aid to China. American Women Against Communism registered a protest with the New York 1940 World's Fair president, Harvey D. Gibson, concerning this Bureau's misuse of the American flag. To quote in part: "No greater insult to the American Flag has come to our attention than the grotesque painting on the wall of the Bureau in question. In an effort to promote the Bureau's program, a reproduction of the American Flag has been 'revised' to cover a map of the United States, on which are implanted small paper banners indicating cities where the Bureau has local connections. Frankly the Bureau has produced a huge monstrosity which will certainly be applauded by the Communists and others who propagate ideologies that are alien to all that the American Flag symbolizes. You must know, too, that the Communist Party of the United States and of the Soviet Union wholeheartedly endorse the work of the Bureau..." (Phila. Enquirer 7/8/40)

Soviet-loving Sherrill will certainly defend the one "civil right" allowed by Stalin. (Applauding Stalin.) How many more?

Marxism and Plutocrats

It takes years to get over the connections between Marxism, or the capitalist state machine movement, and rich plutocrats: the Kuhn Loeb and Co. international Jewish bankers financing the Red Russian revolution; the Rockefellers financing the Red center, the University of Chicago and its International House where Soviet films are shown, etc. My mother knew old John D. Rockefeller when they were both young and after reading a Communist poem to the effect - let there be barricades, let the blood flow, let the Rockefellers drink, not to their New Year but to their LAST New Year dinner - I sent a copy of this poem to John D. writing that it was printed by Novy Mir, Communist paper and told him Prof. Robert Morse Lovett's connection with the red Garland Fund which financed Novy Mir. Lovett was an organizer of the Garland Fund and very Red University of Chicago professor at that time. I received a terse reply that they did not seek to influence teaching policies of the institutions they financed!

Just why Harry Hopkins, who drooled Jewish Marxism with every breath, should have backed Nelson Rockefeller, son of John D. Jr., for Co-ordinator of Latin American affairs, is one of those under-the-table mysteries. Whereas Communist friends

Interesting details of the organization of this red revolutionary outfit are given in the book THE ROOSEVELT NEW RECORD AND ITS BACKGROUND pp.19-20, "including this: 'While this group was in session the Red Flag was displayed. Several of the speakers, using a government auditorium at taxpayers' expense, denounced our system of government and demanded its overthrow by force and violence. Secretary Perkins gave permission to several of the "delegates" to sleep in one of the Labor Department conference rooms. Police report that the women failed to use the toilet, a short distance away and left the walls and floors of the room in a vile filthy condition.

"Catholic?"

Monsky's B'nai B'rith is active in demanding banning of Christmas carols and Easter celebrations from schools and forcing deletion from Passion Plays of Scriptural passages unflattering to Jewry. Its colossaly-financed Anti Defamation League maintains an army of snoopers and keyholers, to threaten persecute or reward any Christian preacher, speaker, editor or writer, in accordance with whether or not they obey the demands of Jewry. Any Jew who sends even a greeting card at Christmas time is denounced. I wonder why "Catholics" need the head of such an outfit? Or does B'nai B'rith need to control Catholics?

Another member of Haas's "Catholic" committee was the the Russian-born Red Sidney Hillman, praised by that supreme butcher of Christians, Lenin, for his raising for Soviets after the Red Revolution. Sidney likewise helped finance the Red churchburners and killers of Catholic clergy in Spain by supplying money to his Amalgamated Clothing Workers (Advance 1/1/33); he also collected a 1000

Gentlemen:

May I offer a suggestion for curbing Reds in
this country, namely-Television-

The enclosed clipping will, no doubt, bring to
mind the cancellation of Eleanor's TV program by N.B.C.
Broadcasting co. due to the many protests against her
having as her special guest, Paul Robeson.

The Reds realize the great medium of Television,
and I think it is the patriotic duty of the Broadcasting
Stations to refuse time to anyone with Red connections.

The cries of "Free Speech" will go up of course,
but "Free Speech" to destroy American ideals should not
be permitted.

If only the F.B.I. could have a free hand, this
country would again gain the respect of the world.

Very truly yours,

Los Angeles, 5, Calif.

Reds in State Dept. 'Nonsense' Says Mrs. FDR

LOUISVILLE, Ky., March 15.—

(AP)—Mrs. Eleanor Roosevelt called charges of Communism in the State Department "utter and complete nonsense" in an interview here today.

Mrs. Roosevelt also was asked to comment on cancellation of her television show on which singer Paul Robeson was to have appeared.

"I don't handle the show," she replied. "My son, Elliott, and another man do. I think probably the people who protested Mr. Robeson's appearance didn't realize that he wouldn't have had unlimited time to express his point of view."

"It was to have been a general discussion on 'the position of the Negro in American political life.'"

"The idea back of it was the way party with a large group of writers, such as Mr. Robeson's Progressive Party, should have a say."

INTERNATIONAL ASSEMBLY OF WOMEN

New York, N.Y.
September 16, 1945.

The International Assembly of Women will meet on invitation only at the little New York village of South Kortright starting October 15, 1945.

The chief sponsor is Eleanor Roosevelt and she has the backing of 19 women's organizations here in the country, including the National Farmers Union-Women's department, also the Congress of American Women, office Capital Hotel, 51st & 5th Ave., New York City.

This latter group is one of the outstanding Communist from "top to bottom" organizations in the country. Started and fostered by the Women's Division of B.C.C.F. of Moscow.

We give these facts on this outfit, because they are playing quite an important part in the Kortright affair. We might also mention that this conference will be impossible to "crash" No doubt they are holding it in such a small place so they will be able to spot strangers and possible spys.

[Redacted] (Red) national director of education for woman slips into the New York milk shed to meet with Wright quite frequently. They want to set up an outfit to line up the young people. The conference will have foreign delegates present. Reason we elaborate on this is that these red inclined intellectual busy-bodies have mixed in the milk and dairy situation a lot.

In the New York shed [Redacted] as well as Eleanor Roosevelt have stirred up things. Each and every one of these except Eleanor are out and out Reds.

In the Philadelphia shed Mrs. Elmer Gimbel and Susan B. Anthony had their nose in the milk business.

The supposed agenda of the conference is;

Co-operative Organizations Further Efforts to aid the Program of the United Nations Organizations.

NOTE: In connection with all these affairs there is a book that is being boosted a plenty by the NFU and these intellectual women's groups. It is

RE: AMTORG TRADING CORPORATION
ESPIONAGE - R

Dear Sir:-

The New York Daily News for October 28, 1942 contained a newspaper article stating that President Roosevelt exerted marital, as well as official authority to keep Mrs. Eleanor Roosevelt from visiting Russia at the conclusion of her visit to England, and the article revealed that information was received from a "most reliable source" concerning the substance of this article. The article contains additional data concerning the matter and the newspaper clipping is being filed in the newspaper section of this case.

For the information of the Bureau, it might be stated that Confidential Informant [redacted] submitted a report dated October 21, 1942, at Washington, D.C., and in the same he wrote the following: "RUSSIAN REPORTS HERE TELL ME THAT ELEANOR WILL ALSO PAY A VISIT TO THE SOVIET UNION (That is strictly confidential)."

The above is being furnished the Bureau merely for information purposes.

Very truly yours,

P. E. Foxworth

POMERANZ ASKS ASSISTANCE OF MRS. ELEANOR ROOSEVELT IN OBTAINING AN EXIT VISA FOR DR. RUDEL.....	20-22

[REDACTED]

By letter written November 22 and 24, 1944, Dr. RUDEL suggested to POMERANZ that he write a letter to Mrs. ROOSEVELT and present the facts before her, in a frank and human way, and to have some of his influential friends add a few words. Dr. RUDEL expressed her disappointment at the full realization of the fact that POMERANZ would be unable to join her. (U)

She continued this letter two days later at which time she said: She had received a letter from her lawyer telling her that it was hopeless and that he had given her some strange explanations, which she did not believe and which depressed her very much. (She is apparently referring to her attempts to get an exit visa from the United States.) She then suggested to POMERANZ that he discard her suggestion of writing to Mrs. ROOSEVELT if

NY 100-62117

he believed it would not further the matter but that if he still considers it, then he should emphasize that he is not given the opportunity to come to this country.

Dr. RUDEL was of the opinion that a similar letter should be written to the "SOCIETY FOR HUMAN RIGHTS" in New York. She also mentioned that she had seen, that day, some friends of BUNI, in the matter of POMERANZ's petition for work and in this regard stated: "I have not mentioned to them the letter from the lawyer because I am afraid that it might be damaging even if it materializes."

NY 100-62117

On December 14, 1944 POMERANZ wrote HUDEL that she should write to Mrs. ROOSEVELT because he wants HUDEL with him. (u)

On December 21, 1944 POMERANZ urged RUDEL to write to Mrs. ROOSEVELT to end the separation between them. (RUDEL and POMERANZ). POMERANZ criticized the scientists in Costa Rica as being ignorant and inquired about recent developments made by Argentine scientists.

POMERANZ went on to chide Dr. RUDEL about having written to Mrs. ROOSEVELT without having first discussed the matter with him. He said, however, he would write to Mrs. ROOSEVELT although he abhors making petitions of this kind and does not believe it will help. He said he was doing so because it was Dr. RUDEL's wish and that he did not intend to overlook the slightest possibility. He said that he would compose the letter and ask AUDREY'S mother to correct it. He said that he would also ask the lawyer to write to his friends, which might be helpful. (U)

He said, further, that he would not write to the State Department as these gentlemen are not interested otherwise they would have surmised that he wanted to be with his wife since only he could have been instrumental in arranging for the intervention of the Costa Rican Ambassador and the "CAJA."

POMERANZ ASKS ASSISTANCE OF MRS. ELEANOR ROOSEVELT
IN OBTAINING AN EXIT VISA FOR DR. RUDEL

By letter dated February 15, 1945 POMERANZ advised Dr. RUDEL of efforts being made to obtain her visa and also that he had mailed the following letter to Mrs. ELEANOR ROOSEVELT:- (U)

"Dear Mrs. Roosevelt:
